Dear Sir or Madam,

on the occasion of the final project workshop we kindly invite you to our press conference:

**„Technologies and automation solutions aimed at small and
medium-sized manufacturing businesses“**

Thursday, May 07, 2009 at 10:30 a.m.

in the conference room of the main building

Institutszentrum der Fraunhofer-Gesellschaft, Nobelstraße 12, Stuttgart

The final results of the EU funded research project *SMErobot*TM (project runtime 2005-2009) of new robot solutions for small and medium-sized enterprises in various branches of industry will be presented and demonstrated.

Statements are given by

Martin Hägele, Project Coordinator and Head of Department of Robot Systems,
Fraunhofer Institute for Manufacturing Engineering and Automation IPA, Germany

Klas Nilsson, Professor at Department of Computer Science,
Lund University, Institute of Technology (LTH), Sweden

Peter Haigh, SME Project Partner
Casting technology International LTD, England

Following the statements we would like to invite you to a guided *SMErobot*TM demonstrator tour and afterwards to a lunch snack.

Please contact me in case of any question or if you need further information.

Kind regards

Hubert Grosser
Press Officer Fraunhofer IPA
